STATINTL

Chief, Service Branch - Attn: [redacted] 13 August 1947
Thru: Assistant Director for Operations
Acting Chief, FBIB

Following are anticipated requirements for new automobiles at FBIB installations during fiscal 1948 and 1949. To the extent that procurement can be made, the entire requirement may be satisfied during fiscal 1948.

Far East Mission:	2 sedans 1 panel truck 1 jeep
STATINTL [redacted] Mission:	1 sedan
East Coast Mission:	1 sedan 1 station wagon
London Mission:	1 sedan
Mediterranean Mission	1 sedan 1 station wagon 1 weapons carrier

This automotive equipment is required by the isolation of the missions and the necessity to transport materials and during night operations personnel to and from the installations. Far East Mission will be a new installation; STATINTL [redacted] Mission urgently needs replacement for one sedan in order to avoid exorbitant maintenance costs; East Coast Mission will be a new installation; London Mission is without automotive equipment; Mediterranean Mission will be a new installation to which it is not practicable to transport present unsatisfactory automobiles from [redacted]
